(1) Description of the institutional grading system:

The institutional grading system is based on a scale from "0" to "20".

Case 1: the average grade of the course units followed $\geq 10/20$,

AND no course unit grade $< 7/20$: all the course units followed are automatically validated

Case 2: the average grade of the course units followed $\geq 10/20$: the jury may validate each course unit

Case 3: the average grade of the course units followed $< 10/20$: the jury may validate each course unit whose grade $\geq 10/20$.

For each course unit, the course coordinator shall provide an ECTS letter, which will be indicated on the grades transcript. However students can be validated on jury decision.
